to Remember

Since 2010 we have paid over \$700,000 of debt and we are thankful. However we still owe over \$160,000 and that amount will need to be refinanced at the end of November 2024. Our goal is to be debt free before that point and never borrow again. To accomplish this, we need God's help, and yours. If you want to contribute, simply mark your giving on your check memo or tithe.ly as "debt reduction." If we do our part, we believe God will do his!
