# Project 6:10

On Sunday, September 10th Lakeside would like to honor all of our Police, EMS, and Firefighters. We will have a special service that morning with each of these heroes in mind, and after the service we will have a catered meal for them and their household family. We will need an accurate count of those eating by August 27th, so please sign up at the table in the foyer and let us know how many you are bringing. Also, please help us invite as many as possible to this event! This meal is specifically for our active or retired Police, EMS, and Firefighters.
